

Year 6 spellings term 1:1

Below are the weekly spellings lists that we will cover this half term. We will practise the spellings in class, and they will be available on Spelling Shed for the child to practise independently. Spellings will be given out on a Monday and will be tested on a FRIDAY each week. It is important that children know the meaning of each word and they can be used in context. In addition to this week's spellings, children will be tested on previous spellings to ensure they have been retained. The final week will be a recap on any tricky spellings from this half term that the children need additional time practising.
