

Dear Parents/Carers

We are excited to invite your child to join our Alwoodley Wombles club! This initiative is designed to encourage active participation in maintaining and managing the areas we have created for OPAL play within our school grounds. The club will meet every Friday after school until 4pm, starting from Friday 19th April.

At Alwoodley Wombles, our mission is to instil a sense of responsibility and pride in our school environment while fostering teamwork and community spirit among our pupils. Participants will engage in a variety of activities such as: litter picking, sweeping, raking, organising, and potentially assisting in the care for our incoming goats.

We believe in striking a balance between work and play. If we efficiently complete our tasks, there will be plenty of time for enjoyable activities afterwards.

This club is open to children in Year 4-6, and we kindly ask that parents plan for their child to be collected promptly at 4pm, unless they are in Year 5/6 and have received permission to walk home. Please note that places are limited to 20 students, and we anticipate high demand.

We are seeking pupils who are genuinely interested in lending a helping hand and are eager to get involved. This opportunity has been discussed with the pupils during assembly, and we are excited to see their enthusiasm.

If you would like your child to be considered for a place in the Alwoodley Wombles club, please indicate your interest on the form attached. Once places have been allocated, selected individuals will receive a confirmation text.

Since this is a role of responsibility, all Alwoodley Wombles will be given a special badge to wear.

Warm regards,

Miss J Hill (Deputy Head)

Alwoodley Primary School
