

Dear Parents/Carers,

As part of our ongoing efforts to enhance our school environment and provide enriching experiences for our pupils, we are excited to announce a special event coming up at Alwoodley Primary School.

### **World Music Day Celebration - June 21st, 2024**

On June 21st, 2024, we will be celebrating World Music Day at our school. We invite all pupils to come dressed up in a creative and fun way to mark this special occasion. Pupils can choose to dress up as a musical instrument, a famous musician, a representation of a particular decade in music history, or even be inspired by a favourite song such as "Baby Shark."

We believe that this event will not only be enjoyable for the children but also provide a fantastic opportunity for them to learn more about different musical genres, artists, and historical periods in music. We encourage creativity and look forward to seeing the imaginative costumes that our pupils will come up with.

### **Suggested Donation and Fundraising**

To support our ongoing efforts to improve the school outdoor spaces, we kindly request a minimum donation of £1 per child participating in the World Music Day celebration. Donations will be collected on the day of the event and will be cash only. The funds raised will contribute towards enhancing our school pond area by installing an all-weather fire pit, providing a safe and enjoyable space for outdoor activities and learning opportunities.

Your generous contributions are greatly appreciated, and we thank you in advance for your support towards this fundraising initiative.

If you have any questions or require further information about the World Music Day Celebration or the fundraising efforts, please do not hesitate to contact us on [office@alwoodley.net](mailto:office@alwoodley.net)

Thank you for your continued support.
