

Year 6 parent meeting

13/10/26

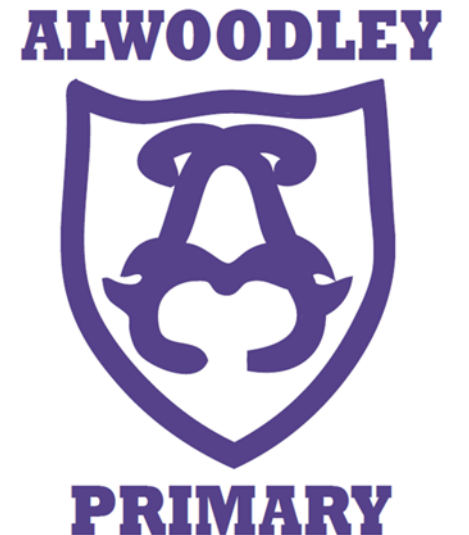

ALWOODLEY

PRIMARY

Agenda:

- What are SATs?
- How we prepare children for SATs
- What you can do to help your child

What are the SATs?

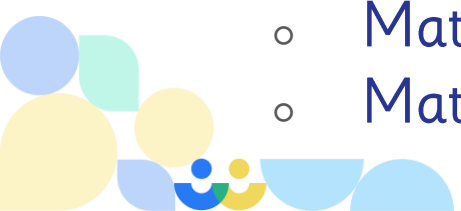

SATs are the Standardised Assessment Tests that are given to children at the end of Key Stage 2.

- The SATs take place over four days, starting on **Monday 10th May** ending on **Thursday 13th May**. The SATs papers consist of:
 - Grammar, punctuation and spelling (paper 1: GPS) – Monday 10th May
 - Grammar, punctuation and spelling (paper 2: Spelling) – Monday 10th May
 - Reading – Tuesday 11th May
 - Maths (paper 1: Arithmetic) – Wednesday 12th May
 - Maths (paper 2: Reasoning) – Wednesday 12th May
 - Maths (paper 3: Reasoning) – Thursday 13th May
- Writing is assessed using evidence collected throughout Year 6. There is no Year 6 SATs writing test.

When and how the SATs are completed

- The tests take place during normal school hours, under exam conditions.
- After the tests are completed, the papers are sent away to be marked [externally](#).
- The results are then sent to the school in July.
- Each test lasts no longer than 60 minutes:
 - Spelling, punctuation and grammar (paper 1: Grammar/ Punctuation) – 45 minutes
 - Spelling, punctuation and grammar (paper 2: Spelling) – 15 minutes
 - Reading – 60 minutes
 - Maths (paper 1: Arithmetic) – 30 minutes
 - Maths (paper 2: Reasoning) – 40 minutes
 - Maths (paper 3: Reasoning) – 40 minutes

The results

Tests are marked externally. Once marked, the tests will be given the following scores:

- A raw score (total number of marks achieved for each paper);
- A scaled score (see below);
- A judgement on if the National Standard has been met.

English Reading	
Raw score	Scaled score
17	92
18	93
19	93
20	94
21	95
22	96
23	96
24	97
25	98
26	98
27	99
28	100
29	101

English Reading	
Raw score	Scaled score
34	105
35	106
36	107
37	107
38	108
39	109
40	110
41	112
42	113
43	114
44	115
45	117
46	118

Scaled scores range from 80 to 120.

A scaled score of 100 or more shows the pupil is meeting the National Standard.

A scaled score of 110 or more shows the pupil is working at Greater Depth.

How we prepare children for SATs

- We have a practice SATs week every half term. This includes 'mock SATs' week in April, where the children will complete their papers in the hall.
- Lessons incorporate SATs style questions, where answers are modelled and explained.
- Children are grouped in maths so they can focus on their areas to improve at their own pace including relevant support and challenge.
- Weekly arithmetic tests to help retention of skills.

This paper is worth 40 marks and is an easy win!

How we prepare children for SATs

- Booster sessions will begin next half term.
- If your child is invited it is vital they attend each week.
- Sessions for reading and maths will be available. The groupings may change as we get closer to the tests.

What you can do to help your child

Attendance

- it is crucial that your child comes in to school, on time, every day.
- Pace of learning in year 6 is very quick- your child will miss out on key learning, which will hinder their progression.

The infographic features a purple background with yellow and white text. On the left, a cartoon clock character with a smiling face, arms, and legs is shown. A speech bubble above it says "WAKE UP!!!". To the right of the clock, the text "ABSENCE = LOST OPPORTUNITY" is written in large, bold, yellow letters. Below this, the question "Did you know...?" is written in purple. A table with three columns and five rows provides data on the impact of attendance percentages. The table is bordered in orange. At the bottom, the text "Getting Your Child to School Really Matters" is written in purple.

WAKE UP!!!

ABSENCE = LOST OPPORTUNITY

Did you know...?

If your child's attendance during the school year...	Your child will have lost approximately...	or they will have missed approximately...
is 95%	9 days from school	50 lessons
is 90%	19 days from school	100 lessons
is 85%	29 days from school	150 lessons
is 80%	38 days from school	200 lessons
is 75%	48 days from school	250 lessons

Getting Your Child to School Really Matters

What you can do to help your child

Home learning

As of next half term, your child will be sent home with 2 compulsory pieces of homework each week:

Reading homework will be given out on a Monday and is by Thursday.

Maths homework will be given out on a Friday and returned on a Monday.

The quantity of work will be manageable and children should be able to complete this independently however, please encourage them each week to engage with this.

This expectation will also help prepare your child for secondary school, where they will have multiple pieces of homework to manage and complete weekly.

What you can do to help your child

Home learning

Century

Century homework will still be set each week as an optional extra.

If your child has struggled with any learning throughout the week, century should support them to consolidate their understanding.

Century can be accessed independently- children can engage with any materials they would like.
